WORK & LEADERSHIP EXPERIENCE

Edge Sentinel Technologies

London, UK

Research Intern – Digital Twin Intelligence

Jan 2026 – April 2026

- Researched and briefed leadership on digital twin technology for City of London partnership pitch with Buro Happold.
- Analyzed building optimization scenarios using AI and regulatory frameworks for urban net-zero transition.
- Supported strategic planning for simulation-first decarbonization platform targeting 1,528 ktCO₂e reduction.

RSM

Singapore

ESG Trainee

Apr 2025 – June 2025

- Advised clients on ISSA 5000 implementation strategies, ensuring compliance with evolving sustainability reporting standards that increasingly impact valuations and investment flows.
- Supported over ten concurrent client engagements requiring strong project management skills, meeting tight deadlines.
- Assisted in sustainability audits for over 5 mid-to-large corporates, performing recalculations of carbon emissions, employee work hours, and electricity consumption across Scopes 1-3 to ensure accuracy of ESG disclosures.
- Leveraged AI tools to streamline client deliverables reducing average deck preparation and presentation time by 45%.

Mansur Group LLP

Singapore

Co-Founder, Ecommerce Venture

Jun 2025 – Aug 2025

- Sold posture-correcting devices; sourced and tested multiple SKUs from manufacturers in China. Cultivated relationships with suppliers while coordinating orders, and negotiating terms.
- Managed end-to-end operations including pricing, financial tracking, inventory, order fulfillment and customer service.

Potong Pasir Medical Clinic

Singapore

Assistant Bookkeeper

Feb 2023 – Aug 2023

- Oversaw daily accounting operations, reconciliation processes and balance sheets with assets totaling over 6 figures.
- Managed accounts – uncovering irregularities, optimizing cash flow and reducing outstanding balances.
- Contacted vendors, govt agencies and insurance companies to maintain positive relationships, ensuring timely payments.

Singapore Armed Forces

Singapore

Combat Medic, Medical Corps

Apr 2021 – Feb 2023

9 Month deployment (Brunei)

Feb 2022 – Oct 2022

- Instructed over 50 medic trainees in CPR, AED protocols, and patient assessment models before their deployment.
- Ensured on-site safety during missions, overseeing water regimes and implementing cooling measures to ensure a zero-heat injury casualty rate during my deployment.
